The World's Easiest to Use Cleanroom Wipe Dispenser

New and improved GRAB EEZ! This new size will accommodate wipes in the more traditional size of 9"x9". The loading of wipes is far easier in that the front cover slides up for easy loading and an optional plastic shield can be used to cover the front window. All other benefits are still in place; that is, ESD safe, four holes for optional wall mounting, easy non cross contaminating dispensing, double bagged, and ready to bring into the cleanroom.
